NOTES – WINDSOR SEAWOLVES POOL RECORDS:

- Age for these records is 'season age' which is based on a swimmer's age group at the season's Club Championships (ie the age they turn in the last year of the season). This is a swimmer's age as appears on Meet Mobile throughout the season.
- Records can be broken at Friday night club meets and the Club Championships only (not at inter-club carnivals or school carnivals).
- Records are for Club Championships event distances (ie no 30m freestyle record for 10yrs and no 30m records for 11yrs and older), longer distances and medley.
- Records are based on data available from 2011 onwards.
