Welcome to the Windsor Seawolves Swimming Club 2025-26 season!

The Windsor Seawolves Swimming Club is a sub-committee of the Windsor State School P&C and is organised every year by volunteer parents. We welcome any parents who would like to help with the running of the club.

AIMS OF THE CLUB

The aims of the Club are to provide:

1. An organised program of events, which will build on each member's swimming capabilities.
2. A safe, fun, and challenging environment.

MEMBERSHIP

The Club is open to all members of the community from kindergarten to high school siblings. An annual membership fee is payable prior to attendance. Online registration must be completed for all swimmers.

VOLUNTEERS ROSTER

Volunteers are vital to the running of the club. Without volunteers, the club cannot function.

A volunteer roster will be created, and all families are requested to roster themselves. If you cannot perform your rostered task, we ask that you find a replacement to fill that role.

CLUB NIGHTS

Club nights start at 5.45pm and include the following events:

15m Tadpoles

A parent, older sibling or senior club member accompanies the swimmer for a 15m swim.

30m Kickboard

Swimmers use a kickboard to swim 30m. Swimmers may choose *either* kickboard or 30m events, not both.

30m Freestyle, Backstroke, Breaststroke and Butterfly

All swimmers can participate in the 30m events until they achieve the qualifying time for a 60m race.

60m Freestyle, Backstroke, Breaststroke and Butterfly

Swimmers achieving the following times in their 30m race qualify for the 60m races:

Freestyle	29 seconds
Backstroke	33 seconds
Breaststroke	35 seconds
Butterfly	30 seconds

Once swimmers have qualified for the 60m events, they will no longer be able to swim 30m events. Note: 11-year-olds can choose to swim 60m events even if they have not achieved the qualifying times.

120m Individual Medley

Swimmers must qualify for and swim 60m in all strokes at club nights to participate in the individual medley.

120m single stroke event

One 120m event is held each club night. A schedule of strokes is listed in the back of this document. When a swimmer achieves the following times in their 60m race they can progress to 120m. Times are as follows:

Freestyle	58 seconds
Backstroke	66 seconds
Breaststroke	70 seconds

NOMINATING FOR RACES

You must nominate your swimmer each week for their chosen events prior to club night.

Nominating communicates weekly availability and ensures swimmers will be allocated a lane to swim in, their times will be recorded, and points accrued. Nominations must be submitted for each swimmer by 12pm each Friday. Swimmers who are not nominated will not be able to participate in the meet.

Nominations can be completed via the App: Swim Club Connect Meet Manager. Please download the app and complete the following:

For new families:

- Create your profile
- Join the Windsor Seawolves (WSCC) - the membership code for our club is 4000
- Create your swimmer/s profile.

For returning families:

- Find your existing swimmers and add the swimmers to Windsor Seawolves (WSCC).

How to nominate your child/children for races:

- Enter *Swim Club* app
- Click on the relevant meet
- Nominate your child/children - one distance per stroke per swimmer

PLEASE NOTE: The app identifies a swimmers age as of 31 December 2026, as our season runs across two years (2025 and 2026).

RACE TIMES

Swimmers aim to improve their own time each week rather than focusing on their position against others in the race.

Swimmers are awarded points for participating in events. They are then allocated points according to how they swim against their own time.

Past members will commence the new season with their best times from the previous season.

Swimmers' times can be seen in real time in the 'Swim club' app immediately following race completion.

Points are allocated each club night as follows:

TIME	POINTS
Race participation (Time Trial) 30m, 60m, 120m	4
2.5 seconds or more slower than best time	1
1.5 - 2.49 seconds slower than best time	2
0.5 - 1.49 seconds slower than best time	3
0.5 seconds slower or faster than best time	4
0.5 - 1.5 seconds faster than best time	5
1.5 - 2.49 seconds faster than best time	6
2.5 or more seconds faster than best time	7

Heats of events will be swum in the order of swimmers' best times without regard to age.

When a faster time is recorded this becomes the best time for future points.

BAD WEATHER

The executive committee will decide when a club night should be cancelled due to bad weather. Members will be notified via the Seawolves email and Swim Meet App.

Please note, if a club night is cancelled due to bad weather, then you must re-nominate for the following week. Nominations will not be carried over.

CLUB CAPTAINS

Two club captains and vice captains are selected each season. They are required to commit their time for the full season and be actively involved in club nights. Roles include:

- Assisting with the tadpole and kickboard events.
- Leading the team at carnivals
- Supporting and encouraging younger members
- Arranging rubbish collection and tidying the pool area each club night.

Nominations will be sought by email to members. The Committee along with Year 4 and Year 5 Club members will then select the captains on the first swimming night of the season.

One male and one female swimmer will be selected for each role. If insufficient male or female nominations are received, the committee will decide on an alternative approach to positions.

CANTEEN, BBQ AND BAR

Food and drinks are available for sale at the canteen, BBQ and bar each club night. The BBQ menu varies but includes favourites such as burgers, sausage sizzle and pizza. Please be advised that products may contain allergens such as nuts, eggs, gluten, and dairy. The club alcohol policy is outlined at the back of this document.

CARNIVALS

Windsor Seawolves will be involved in inter-club carnivals throughout the season. To assist in team selection, swimmers will be asked to nominate their availability for each carnival. Nominating availability for carnivals does not necessarily mean that swimmers will be selected. We endeavour to balance the need to select competitive teams with giving swimmers the opportunity to represent their club at these events.

SEAWOLVES END OF SEASON CARNIVAL

The End of Season Carnival is held on Saturday at the end of the season, followed by the Club's Trophy Night.

There are no entry qualifications times. All swimmers who have attended 4 club nights are welcome to attend. Swimmers can participate in any event offered in their age group.

Heats

If more than 6 swimmers nominate for an event, multiple heats will occur. Times will be collated from all heats in an event. The fastest swimmers in the event (not the heat) will be awarded places.

Awards

Medals will be presented on the day to the first three place getters for each event (not each heat).

Age Champion will be awarded to the swimmer with the most points in each age group at the end of the carnival.

The following points will be allocated for each event:

1 st	7 points	4 th	3 points
2 nd	5 points	5 th	2 points
3 rd	4 points	6 th	1 point

AWARDS NIGHT

At the end of the season awards are given to recognise swimmers' abilities across the season:

Participation awards

Awarded to each swimmer who participates in the end of season carnival.

Points champions

Awards are presented to the highest point scorer in each age group for both boys and girls. This is achieved through regular attendance, improvement of their own time and general consistency of performance.

Club Spirit Awards

Awarded to club members who consistently have a go, show courtesy to fellow club members and volunteers, and support their team both in and out of the pool. Awards are presented in each age group for both boys and girls

Age Champions

Awarded to swimmers the highest post scorer in each age group at the End of Season Carnival.

Overall Points Champion

A perpetual trophy is awarded to the highest points scorer overall for the season.

Individual Medley Champion

A perpetual trophy is awarded to the highest individual medley points scorer overall for the season (Note: Medley Races have a separate points ladder).

Butterfly/ Breaststroke/ Backstroke/ Freestyle Awards

A perpetual trophy is awarded to the highest points scorer in each stroke for the season.
